Committee Member

Lacey Township promotes the benefits of recycling for our health, our environment, and our economy and we re-energize the efforts all of us can take to meet the obligations we have as a town to our future generations. For the health of our planet, we must prioritize reducing, reusing, and recycling of materials. Each of us has a role to play in this effort. While we know the benefits of recycling, it is at a crossroads today in many parts of the country. Too many Americans are uncertain about what materials can or should be recycled. Towns and counties have trouble finding markets for their recycled waste making it difficult to dispose of and ultimately ends up in a landfill. We need to take action and dispose of waste in the proper bins whenever possible, reuse containers, compost food, and use products made with recycled materials. Together, as we activate our collective will and actualize our shared responsibility, we can create a cleaner and greener town that secures our future for generations to come. Recycling remains an important way for the public to conserve resources, reduce waste, enhance sustainability, and improve our quality of life.

For more information on environmental and economic benefits of recycling, visit the NJDEP's recycling website at www.nj.gov/dep/dshw/recycling/

Live Christmas Tree Curbside Collection

will begin **Tuesday January 2nd** and run until
Friday January 19th

**PLEASE REMOVE ALL
TINSEL, LIGHTS, & GARLAND**

If you are not ready to part with your tree,
please bring it to the Recycling Center any
time during our normal operating hours.

Christmas trees are turned into mulch, which
is available for free to resident at our recycling
center.

Here at Lacey Township

We ALWAYS...

REDUCE cut back on the amount of trash we generate.

REUSE find new ways to use things that otherwise would have been thrown out.

RECYCLE turn something old and useless (like plastic milk jugs) into something new and useful like a water can.

RELAX Treat yourself to something that makes you happy.

RENEW Take one breathe at a time and renew yourself.

PARKS AND RECREATIONAL FACILITIES

Lacey Township is the home of five major parks and eight smaller tot-lots with playground areas and benches. All park, tot-lot and beach facilities are maintained by the Lacey Township Department of Public Works. For your enjoyment, please visit as often as you can.

GILLE PARK

- ~ Located on Manchester Avenue
- ~ Township's Largest Park spanning 34 acres
- ~ Home to Lacey Girls Softball, Lacey Soccer and Lacey Girls Lacrosse
- ~ 4 lighted softball fields and 4 soccer fields
- ~ 4 tennis courts and 3 pickleball courts
- ~ 3 volleyball courts and one basketball court
- ~ Two roller hockey rinks and skate park
- ~ 1 mile perimeter walking path and exercise equipment station
- ~ Newly installed tot-lot and playground
- ~ Picnic pavilion with grills and picnic tables (with power)
- ~ 2 restroom facilities within the park

HEBREW PARK

- ~ Located on Manchester Ave. and Cedar Ave.
- ~ Home to Lacey Soccer and 3 full-sized soccer fields with field lighting available on two fields.
- ~ 1 lighted softball field, 1 basketball court and 3 pickleball courts
- ~ Timber picnic shelter and picnic grove with many tables (Pavilion has power)
- ~ Tot-lot and playground area
- ~ .7 mile perimeter walking path and exercise equipment station
- ~ 2 restroom facilities within the park
- ~ Provides summer recreational camp

CLUNE PARK

- ~ Located off of Beach Boulevard
- ~ Home to Lacey Little League, AYF Football and Lacey Boys Lacrosse
- ~ 3 lighted little league fields, 2 50/70 fields, 1 regulation sized baseball field, and 3 full-sized lighted football fields
- ~ Tot-lot and playground area
- ~ 2 restroom facilities within the park
- ~ Provides summer recreational camp

HUFFY WALLIS PARK

- ~ Located off Parkside Drive
- ~ Township's oldest park
- ~ 1 softball field and 1 basketball court
- ~ Upgraded tot-lot and playground
- ~ Provides summer recreational camp

BAMBER PARK

- ~ Located off Good Luck Road
- ~ Softball and soccer fields
- ~ Newly renovated basketball court and 2 tennis/pickleball courts
- ~ Newly installed tot-lot and playground
- ~ Tot-lot and playground area
- ~ Picnic area and bathing beach open to public

FORKED RIVER BEACH BAY FRONT PARK

- ~ Located at eastern end of Beach Boulevard along Barnegat Bay
- ~ Park was recreated after the destruction of Hurricane Sandy
- ~ 2 tot-lots for ages 2-5 yrs and 5-12 yrs and accessible handicap swing
- ~ Large pavilion with benches and tables
- ~ Exercise equipment area with 16 separate pieces
- ~ Over 1/3 mile walking path with views of Barnegat Bay and benches to rest
- ~ Observation/overlook platform providing views of the bay and Barnegat lighthouse

MEZERA PARK

- ~ Located off Lakeside Drive South
- ~ 2 playgrounds for ages 2-5 yrs and 5-12 yrs
- ~ Scenic views of Barnegat Lake, Lacey's largest lake

ASH ROAD PARK

- ~ Located at Basin and Ash Roads
- ~ Tot-lot and Playground

LAKE BARNEGAT BEACH

- ~ Located on the north shoreline off of Lakeside Drive
- ~ Home of the Wibit Water Attraction
- ~ Beach badges required during summer season
- ~ Lifeguards on duty during summer season
- ~ Restroom facilities available

CEDAR CREEK BEACH

- ~ Located at the west end of Forrest Avenue
- ~ Beach badges required during summer season
- ~ Lifeguards on duty during summer season
- ~ Restroom facilities available

MEADOWLARK BEACH

- ~ Located off Meadowlark Drive
- ~ Unguarded bayfront beach
- ~ Small tot-lot and playground area

DEER HEAD LAKE (3rd Lake)

- ~ Located along Deerhead Lake Drive
- ~ First of 3 lakes that empty into the Forked River
- ~ Excellent location for sunset viewing
- ~ Home of Recreation events throughout the summer season, such as movie nights and concerts

CEDAR LAKE (1st Lake)

- ~ Located along Parker Avenue
- ~ Not open to swimming, but excellent for fishing
- ~ Home of the yearly Fishing Derby
- ~ Newly renovated lighted basketball court
- ~ Parking area provided

ENOS POND COUNTY PARK

- ~ Located at the eastern end of Lacey Road
- ~ Passive park with a large collection of native and rare Pine Barrens plants
- ~ Tot-lot and playground area
- ~ Picnic tables and park benches
- ~ Restrooms available within the park
- ~ Maintained by Ocean County Parks Department

Warmer weather is right around the corner!

Enjoy the upcoming spring and summer seasons by visiting many of our local parks.

Grab your friends and family for a game of soccer, pickleball or basketball. Let the kids swing and slide on one of our many tot-lots or playgrounds or enjoy a leisurely walk along the bay.

SPRING LEAF COLLECTION – 2 CYCLES

THE 1ST CYCLE BEGINS MONDAY, APRIL 15th AND
THE 2ND & FINAL CYCLE BEGINS MONDAY, APRIL 29th

LEAVES are Mandated Recyclable in the State of NJ, Ocean County and Lacey Township.
They are **PROHIBITED** from being **LANDFILLED**.

THE RULES:

- ⇒ Place your leaves at curbside prior to the FIRST DAY OF EACH CYCLE.
- ⇒ Leaves must be bagged in **biodegradable brown paper bags**, or placed in containers no larger than 32 gallons.
- ⇒ **NO** tree branches, acorns or other debris – LEAVES ONLY.
- ⇒ If we come to your street and your leaves were not out on the first collection cycle, we will not be back until the Next Cycle begins.
- ⇒ It takes the Public Works Department about 2 weeks to complete each cycle.

After the 2nd Collection, Residents are required to bring their leaves into the Recycling Center during normal operating hours.

RESIDENTS PLEASE NOTE: If you are bringing leaves into the Recycling Center in plastic bags, you must empty the bags in the leaf pile and take the empty bag(s) with you for disposal at home. If you are bringing the leaves in biodegradable BROWN PAPER BAGS, leave the bag(s) with the leaves in the leaf pile.

You may bring branches from tree trimming and also shrubs, place these items loose (not tied) in the Brush Pile.
(We do not accept trees, stumps, root balls or invasive shrubs such as bamboo or poison ivy/poison oak.)

Leaves brought in at this time will be composted and brush will be ground down into mulch and ready for you to pickup in the Spring, just in time for you to get your garden started.

CONTRACTORS and LANDSCAPERS can bring Leaves and Brush to the Ocean County Facilities in Manahawkin or Lakewood or to other private companies for disposal. They may charge a fee, so check first.

**WE DO NOT ACCEPT GARBAGE, GRASS, TREES, TREE STUMPS, GRAVEL, DIRT, WOOD CHIPS OR ANY INVASIVE SHRUBS OR VINES SUCH AS BAMBOO OR POISON IVY IN THE RECYCLING CENTER AT ANY TIME FROM ANYONE.
IT IS ILLEGAL DUMPING AND SUBJECT TO VIOLATION AND PENALTIES.**

Rain washes pollutants into storm drains and directly into our lakes, rivers and the ocean.

What can you do to help prevent stormwater pollution?

You're not just fertilizing your lawn.

Follow directions on the bag, do not apply before it rains, and use only when necessary

You're not just washing your car.

Take your car to a car wash where the water gets treated and recycled.

It's doesn't just stay on the lawn.

Properly dispose of your pet's waste by flushing it down the toilet or placing it in a bag and into the trash.

Your car isn't just leaking oil on the street.

Recycle used oil at certified facilities and maintain your vehicle to prevent leaks.

When you litter, it doesn't just stay in the street

Recycle and dispose of your trash properly and responsibly.

VISIT
cleanwaterNJ.org
to learn more about stormwater pollution and how you can help to prevent it.

MISSION STATEMENT

The mission of the Lacey Township Municipal Alliance Committee is to work with the Police, Schools, Community Groups and businesses to provide community members with quality programs which educate our citizens about drug, alcohol and tobacco abuse and misuse. Part of this mission is also to provide a coordinated approach to advocacy, collaboration and education to promote wellness among all age groups and to keep individuals and families healthy and safe.

PURPOSE

The Lacey Township Municipal Alliance Committee is a coalition of citizens from the business, church and school community as well as members of local organizations. Alliance members work together to develop, plan, and implement programs and activities, which will assist in the prevention of alcohol, tobacco and other drugs (ATOD).

The Alliance receives funding from several sources including the State of New Jersey, through Drug Education Demand Reduction (DEDR) funds, the Township of Lacey and local donations from businesses and private citizens.

The State of New Jersey provides half of the funding for the Alliance through a grant from the Governor's Council on Alcoholism and Drug Abuse. Lacey Township matches the grant through 25% cash match and 75% as an In-Kind (goods and services) donation.

2024 MEETING SCHEDULE

Meeting Time & Place: Downstairs at the Municipal Building at 7:00 pm

January 22	March 25	May 20	July 22	September 23	November 25
February 26	April 22	June 24	August 26	October 28	

Meetings are held the 4th Monday of the month except for May. There is no regularly scheduled meeting for December

FOR MORE INFORMATION: Please call (609) 693-1100 x2217

Reaching Out to the Community to Educate & to Prevent Substance Abuse

5K RACE & ONE MILE FUN RUN

Mayor McDonald congratulates former Committeewoman Helen Dela Cruz on her running her best time.

also led the High School Cross Country Team to take home the Mayor's Trophy. **Jessica Abbott, 15 years old from Toms River,** continues to dominate as the Top Female, finishing in first place with a time of 19:15.

Cross Country Team with Mayor's Trophy

Our volunteers are the backbone of our race. As always, **Robin O'Brien** does a great job putting together our Ad Journal. Many of our volunteers who participate on the race day are not Alliance members. The **"Train for Your First 5K Race Class"**, under the guidance of **Robin Gialanella, Tina Kennis, Patty Naden and Brandi Rapatski**, continue to inspire people to get off the couch and run in the 5K Race. They spend weeks on hot summer nights helping runners to achieve their running goals. This year our water stops were manned by The Rotary Club of Forked River residents from Sea Breeze, and the Rotary Club. While **Nicole Tamburro** returned this year to sing the Star Spangled Banner before the start of the race, we welcomed, a new **"Rabbit", Bob**

C.R.A.P. Running Club

McAvoy, to lead the runners through the course. We are happy to report not one runner got lost! The Kiddie Dash was organized by **MAX Challenge**. We also appreciate the support we get each year from the **Recreation Dept., Public Works, and the Lanoka Harbor EMS**. We are grateful to all our volunteers.

We are deeply grateful to all our businesses that have supported the Race through the years. This year our refreshments were donated by **Dunkin' Donuts, Manhattan Bagels and Sunrise Bagels** while **Joe Roberts** donated water bottles at the finish line to the runners. McDonald's provides Happy Meal coupons and Tom and Dee's gives out free Ice to all the Kiddie Dash runners. Many businesses also donate Gift Certificates, which are used for door

Runners pick up their packets

prizes for the runners.

For our Diamond sponsors and up, we place a sign with their name along the course and later move them to be visible at the awards ceremony.

Topping the list of sponsors this year and donating \$1,000 this year in memory of his brother Tim Santucci,

was **Michael Santucci**; also **Lacey Elks Lodge 2518, and Lacey Moose 1909**. Our other Major Sponsors are: **Aurora Sun Counseling, Causeway Family Dealerships, D. Gordon Controls, Holtec, Forked River Rotary, Dr. Shannon Keyes,** **Lacey PBA #238 and J. H. Roberts.**

HALLOWEEN COSTUME PARADE

One of our favorite events that the Alliance hosts is the Halloween Costume Parade. The kids circulate through various activity stations, which include pumpkin decorating, crafts, games, mystery boxes, tattoos, monster (popcorn) hands and cupcake decorating. After they parade around in their costumes, **DJ Mike** gets them all moving to the music until they're worn out. We always enjoy seeing the kids dress up in various costumes such as witches, ghosts, animals, superheroes, princesses and vampires! This year's latest costume for the girls was the character 'Wednesday' from the Addams Family 2 Movie. And by the way,

adults get in free to the event when accompanied by a child!

This event would not be possible without the efforts of all our volunteers. We are also very grateful to the many **High School AADA and other students**, who assist with both the setup the day before and help with all the activities during the event. Their assistance as well as Alliance volunteers, are invaluable to our success. We also wish to thank **RFP Produce**, known to most of us as **Lanoka Farms**, for their contributions towards the pumpkins, corn stalks, mums and straw bales. As always we appreciate their generosity. Please mark your calendars for next year's event which will be held on **Saturday, October 19th at the Lacey Community Center.**

PROJECT GRADUATION

Project Graduation began as a joint collaboration between the Municipal Alliance and the High School PTSA in 1994. Although the planning has been taken over by the **PTSA**, the Alliance continues to be a major sponsor of the event. Project Graduation also receives donations from many other businesses and organizations and of course the **PTSA**. This event provides an alternative to parties at which alcohol and/or drugs may be available to students. Those who attend agree to remain alcohol and drug-free. Over the years, Project Graduation has been held in various venues however, due to Covid restrictions, it was moved outdoors to the DeerHead Lake Beach in 2021 followed by watching the sunrise over the Forked River Beach Bayfront Park. The High School PTSA Project Graduation Committee, chaired by Deann Staub and Halli Santisorì, spent an extensive amount of time and energy to plan the event. Unfortunately due to rainy weather, we were forced to hold it indoors at the High School. The High School PTSA will be asking for input from the students as to a venue for next year's event.

We would like to acknowledge the Recreation Dept., the Dept. of Public Works, and the School District for their assistance with the event.

SCHOLARSHIP - TIMOTHY SANTUCCI MEMORIAL SCHOLARSHIP

Each year the Alliance awards scholarships in memory of Timothy Santucci, a 1998 Lacey graduate who died in February 2003. He dedicated himself to excellence in both academics and sports while living substance-free. Tim also was the D.J. for many of our Prom Breakfast and Project Graduation activities. The Scholarship Committee places a heavy emphasis on community involvement during the selection process. The scholarships are not funded through the grant but rather from fund-raising activities such as our 5K Race. The Alliance awarded eleven scholarships totaling \$5,700 to Jonathon Collins, Jared Danko, Ryan Galletta, Kieran McGovern, Rylan Messina, David Murphy, Sofia Reid, Casey Simonson, Ryan Wegryn, Julia Wright, Austin VanZant.

SENIOR CONNECTIONS

Our senior programs continue to be very popular. Our goal is to encourage seniors to stay active and "connected" in the community. Studies have shown that socially active people are healthier as they age. The Alliance offers a variety of activities from exercise classes and luncheons to our intergenerational programs.

Several years ago we developed an intergenerational program called **"Time Travelers"** that would pair high school students with senior citizens. The seniors share their wisdom and life experiences with students while the students express their anxieties and ambitions. They meet for two sessions during which each partner comes away with a deeper understanding and appreciation of the other generation.

The Alliance continues to offer monthly luncheons and a weekly exercise program to engage seniors. In addition, we are planning to offer the **Wellness Initiative for Senior Education (W.I.S.E)** program in 2024. Seniors will meet once a week for 6 weeks to explore how life choices and behaviors can have a significant impact on our quality of life. Each session will be from 1.5 to 2 hours and include breakfast or lunch.

The **Health EASE exercise program 'Move Today'** has become extremely popular on Thursday mornings at the new Community Center. From 9:00 to 10:00 am, Certified Trainers **Joan Topping, Barbara Racz**, lead seniors in exercises to help improve balance and flexibility as well as muscle strengthening. These sessions are safe for all seniors.

Spring Luncheon

Line Dancing classes are another form of exercise while also having fun! They take place on Monday mornings in the Community Center from 11am to noon and anyone can join us! The Drop-In fee is \$3 per class. Volunteer instructors continue to lead the classes which have become quite popular.

It's hard to believe that we have been sponsoring our senior luncheons at Community Hall for seventeen years! They provide an opportunity for nearly 100 seniors to come together and socialize.

Each luncheon is centered around a theme and would not be possible without our staff of 20+ volunteers that help set up, decorate and clean up each month. Ice Cream for

Luau Luncheon

dessert is provided by Spring Oak Assisted Living and served with cookies from “**John the Cookie Man**”. If you are a Lacey senior; or know someone who would benefit from this program, please let us know. Transportation is available through the Recreation Department if necessary; however, arrangements must be made in advance.

Halloween Luncheon

The luncheons are a wonderful way to get out, share some laughs and meet new friends. We do, however, insist on calling the Recreation Dept. ahead to make a reservation so we can accurately plan our meals. The luncheons are held on the 4th Friday of the month unless there is a 5th Friday. We do not meet in the summer months. November and December are combined and scheduled for the first Friday in December in the Lacey Community Center. The schedule for 2024 is as follows:

January 26th	February 23rd	March 22nd
April 26th	May 31st	June 28th
September 27th	October 25th	December 6th

Task Force

The Task Force was created in 2012 in response to the increasing number of deaths due to drug overdoses in our community. Our focus has been to raise awareness and develop strategies to prevent the use and misuse of alcohol as well as various illegal substances. As we resumed our meeting schedule in 2022, our discussions have been concerned with the health of our community, especially regarding our youth.

Task Force members included **Tony Angona**, Forked River Rotary; **Kelly Brown**, High School Student Assistance Coordinator; **Deirdre Callaghan**, Lacey Elks; **Pastor Jonathan Campbell**, Lacey Methodist Church; **Donna Catlow**, Xodus Recovery Center; **Dr. Vanessa Pereira**, Superintendent of Schools; **Chris Kenny**, Chief of Police; **Adam Ewart**, Lacey Police Dept., **Tom Faulkner**, **Jani Kristbergs**, Village Lutheran Church; **Donna McAvoy**, Hope Sheds Light; **Cecilia Pasqualechio**, Lacey Library; **Pastor Paul Quevedo**, Forked River Presbyterian Church; **Heather Scanlon**, Municipal Alliance Coordinator; **Elyse Winke**, High School Student Assistance Coordinator **Jim Wioland**, Recreation Director and **Will Zylinski**, Asst. Superintendent of Schools.

MESSAGE FROM THE COORDINATOR

The Alliance continually tries to keep informed about the latest trends in substance abuse. The DEA is warning the American public of a sharp increase in the trafficking of Fentanyl mixed with Xylazine. Xylazine, also known as “Tranq,” is a powerful sedative that the U.S. Food & Drug Administration has approved for veterinary use. The DEA reports that 23% of fentanyl powder and 7% of fentanyl pills seized contained Xylazine. These mixtures place users at a higher risk of suffering a fatal overdose because Xylene is not an opioid and naloxone (Narcan) does not reverse its effects.

According to the CDC, 107,735 Americans died from overdose deaths between August 2021 and August 2022. That number is up from approximately 60,000 deaths per year reported eight years ago. In Ocean County, overdose deaths are up from 2012 but down from their peak in 2016. However, that number would be much higher without the availability and administration of Narcan.

Also alarming is the increased use of marijuana by our youth. While the recreational use of marijuana might be legal it does not mean it is legal under the age of 21. It’s extremely important for parents to still attempt to discourage marijuana use by their children. THC over-activates certain brain cell receptors, resulting in effects such as:

- altered senses
- changes in mood
- impaired body movement
- difficulty with thinking and problem-solving
- impaired memory and learning

Use of marijuana before the age of 18 is 4-7 times more likely to result in developing a substance abuse disorder than adults. Here are some facts parents should be aware of:

- ~ Marijuana is the second most common drug involved in fatalities only after alcohol.
 - ~ In Ocean County, the most common reason youth enter substance use treatment is for alcohol and marijuana.
 - ~ Teens who regularly use weed may experience difficulty thinking, problems with memory, and a lower IQ.
 - ~ Marijuana edibles pose a risk for accidental ingestion by young children.
 - ~ Marijuana use has been linked to mental health problems in teens including depression, anxiety, paranoia, and psychosis.
- If you would like to join us in our quest to make our community a safer environment for everyone. All residents are welcome. Our Alliance meetings take place on the **4th Monday of the month downstairs in the Municipal Building multi-purpose room.**

FALL COLLECTION CYCLE

THE 1st CYCLE BEGINS MONDAY, NOVEMBER 11th

THE 2nd CYCLE BEGINS MONDAY, NOVEMBER 25th

THE 3rd & FINAL CYCLE BEGINS MONDAY, DECEMBER 9th

LEAVES are Mandated Recyclable in the State of NJ, Ocean County and Lacey Township – They are **PROHIBITED** from being **LANDFILLED. THE RULES:**

- ⇒ Place your leaves at curbside prior to the FIRST DAY OF EACH CYCLE.
- ⇒ Leaves must be bagged in **biodegradable brown paper bags**, or placed in containers no larger than 32 gallons.
- ⇒ **NO** tree branches, acorns or other debris – LEAVES ONLY.
- ⇒ If we come to your street and your leaves were not out on the first collection cycle, we will not be back until the Next Cycle begins.
- ⇒ It takes the Public Works Department about 2 weeks to complete each cycle.

After the 3rd Collection, Residents are required to bring their leaves into the Recycling Center during normal operating hours.

RESIDENTS PLEASE NOTE: If you are bringing leaves into the Recycling Center in plastic bags, you must empty the bags in the leaf pile and take the empty bag(s) with you for disposal at home. If you are bringing the leaves in biodegradable BROWN PAPER BAGS, leave the bag(s) with the leaves in the leaf pile.

You may bring branches from tree trimming and also shrubs, place these items loose (not tied) in the Brush Pile. (We do not accept trees, stumps, root balls or invasive shrubs such as bamboo or poison ivy/poison oak.)

Leaves brought in at this time will be composted and brush will be ground down into mulch and ready for you to pickup in the Spring, just in time for you to get your garden started.

CONTRACTORS and LANDSCAPERS can bring Leaves and Brush to the Ocean County Facilities in Manahawkin or Lakewood or to other private companies for disposal. They may charge a fee, so check first.

WE DO NOT ACCEPT GARBAGE, GRASS, TREES, TREE STUMPS, GRAVEL, DIRT, WOOD CHIPS OR ANY INVASIVE SHRUBS OR VINES SUCH AS BAMBOO OR POISON IVY IN THE RECYCLING CENTER AT ANY TIME FROM ANYONE. IT IS ILLEGAL DUMPING AND SUBJECT TO VIOLATION AND PENALTIES.

SOLID WASTE COLLECTION AT CURBSIDE

Solid Waste Collection provided by Meadowbrook Industries (609) 971-7979

Chapter 289 of the Township Code of the Township of Lacey

PREPARATION All garbage and rubbish containing food waste shall be kept in leak-proof, commercially available containers with tight-fitting lids or covers and shall be kept covered at all times, unless the contents of same are being removed or contents are being placed therein. Plastic bags or any receptacle which does not fit the above description shall not be used for garbage and rubbish containing food waste; and if so used, garbage and rubbish container therein shall not be collected.

CONTAINER SIZE 32 gallon container with a lid and serviceable handles. Containers may not be more than 32 gallons in size due to the fact that garbage collection is done manually. **TRASH CONTAINER SHOULD BE A DIFFERENT COLOR THAN YOUR RECYCLING CONTAINER. WE HAVE DECALS LOCATED AT LACEY TOWNSHIP PUBLIC WORKS OFFICE.**

COLLECTION Containers must be placed at curbside or adjacent to the road if no curbs exists, in a place which is visible and easily accessible for collectors, either the night before or by 6:00 am on the day of collection and removed within 24 hours after collection. The contractor is not required to come back and pick up your garbage if it is set out late and the truck has already passed through your area.

Solid Waste Services include the following:

FURNITURE AND BEDDING Residents are allowed to dispose of 2 furniture pieces per week on regular collection days, preferably the second collection day, as the first collection days are usually very heavy, especially in the spring and summer months. Mattresses and box springs can be put out for collection, provided it is not raining. If it is raining or there is a chance of rain, please cover the mattresses and box springs in plastic

CARPET Approximately 1 room per week (20 rolls max), preferably on your second collection day. Carpet must be tied and bundled no more than 4' in length weighing no more than 50 lbs. per bundle. Cover in plastic if it is raining or if rain is expected.

LUMBER Scrap lumber pieces can be tied and bundled no more than 4' in length, weighing no more than 50 lbs. per bundle. (2-3 bundles max) If pieces are small enough, you can put them in your trash can.

RESPONSIBILITY If your garbage has spilled over and onto the street prior to collection, it is your responsibility to clean it up. The contractor is not responsible for cleaning up garbage that has blown over and spilled onto the street or placed out in plastic bags and torn open by animals.

VIOLATION Any container that does not comply with the above specifications or creates a hazard or danger to the collectors shall be affixed with a red tag. In the event that a container is affixed with a red tag, it shall be a violation to utilize that container for future disposal of garbage, refuse and other rubbish.

WALL BOARD/PLASTER BOARD Only 3 cans or bundles per month weighing no more than 50 lbs. per bundle.

SLIDING GLASS DOORS, TEMPERED GLASS TABLES, MIRRORS Tape up the glass and wrap the entire surface in a heavy duty tarp or blanket, label it GLASS. It will get picked up with regular garbage on your second collection day.

TOILETS Separate the tank from the bowl. It will get picked up with regular garbage on your second collection day.

APPLIANCES, METAL ITEMS, LAWN MOWERS, AC UNITS, BASKETBALL HOOPS, BBQ GRILLS, LARGE TVs Picked up weekly. Please call the Public Works Dept. to schedule a pick up of any of these items. 609-693-1100, ext. 2301

The following items WILL NOT BE COLLECTED at all, it is up to Residents to properly dispose of these items, call the Public Works Department for information prior to setting them out at curbside.

- House clean-outs
- Building and construction materials, fixtures, windows, etc, resulting from major alterations and renovations to properties by owners or contractor's, especially those that required a Building or Demolition Permit
- Concrete, brick, asphalt, asbestos
- Roofing shingles
- Tires and auto batteries
- Paint, motor oil or antifreeze
- Propane tanks
- Trees, earth, root matter, stones and leaves
- Household Hazardous Waste including pool chemicals and fertilizers
- Mandated Recyclables – please refer to Curbside Recycling Collection and/or Recycling Center information
- Electronics including Televisions
- Wood Pallets

It's impossible to list everything. When in doubt, call the Public Works Department first, this will save you time and a visit from the Code Enforcement Officer.

RECYCLING COLLECTION AT CURBSIDE SINGLE STREAM RECYCLING

Meadowbrook Industries is your Recycling & Solid Waste Contractor 609-971-7979

PREPARATION All mandated single stream recyclable items must be loose in cans. No bundles or plastic bags.

CONTAINER SIZE 32 gallon containers with a lid and serviceable handles. Containers may not be more than 32 gallons in size due to the fact that recycling collection is done manually. **RECYCLING CONTAINER SHOULD BE A DIFFERENT COLOR THAN YOUR TRASH CONTAINER. WE RECOMMEND A BLUE CONTAINER FOR RECYCLING. WE HAVE DECALS LOCATED AT THE LACEY TOWNSHIP PUBLIC WORKS OFFICE.**

COLLECTION Containers must be placed at curbside or adjacent to the road if no curbs exist, in a place which is visible and easily accessible for collectors, either the night before or by 6:00 am on the day of collection and removed within 24 hours after collection. The contractor is not required to come back and pick up your recycling if it is set out late and the

truck has already passed through your area.

RESPONSIBILITY If your recycling has spilled over and onto the street prior to collection, it is your responsibility to clean it up. The contractor is not responsible for cleaning up recycling that has blown over and spilled onto the street or placed out in a plastic bag.

VIOLATION Any container that does not comply with above specifications or creates a hazard or danger to collectors shall be affixed with a red tag. In the event that a container is affixed with a red tag, it shall be a violation to utilize that container for future disposal of recycling, garbage, refuse & other rubbish.

POSTAL PATRON LOCAL

To Our Lacey Residents and Business Community,

This calendar can be used as a reference and guide to Solid Waste and Recycling Rules and Regulations for our town. All the information is accurate as the day of printing. As the year progresses, please note that changes made occur of the materials collected at the Recycling Center and at Curbside. If this does occur, we will post new information on the Township's website. www.laceytownship.org. If you are unsure of what is collectable at curbside or you have an abundance of Trash that you are disposing of, please give us a call at 609-693-1100 ext. 2301 for specific answers to your situation.

Lacey Township remains consistent in its effort to reduce the volume of materials it sends to the Landfill and it's only with your participation in our Recycling Program that this is possible.

We appreciate you and wish you only the best in 2024!
Best Regards,

Lacey Township Department of Public Works and Recycling

Please remember to recycle this calendar in your curbside bin at the end of the year.

*DISCLAIMER - While all events in the calendar are scheduled to occur at the time of printing, all are subject to change or cancellation. Please check the town's website, www.laceytownship.org or check the Recreation Department's Facebook page @lacey.recreation for any updates.
