My Fellow Residents,

Nothing is more important to me than taking care of our residents. As a Township, we continue to move through difficult times but we are turning the corner. I know you have experienced issues and bureaucracy in attempting to receive a COVID-19 vaccination. It is my sincere hope that these simple directives will assist you as more vaccine becomes available in the coming weeks – Which it will. The State of New Jersey Information Hub is located at www.covid19.nj.gov. At this site you will find the following:

- ***Helpline number(s) to speak with a real person who can guide you (855) 568-0545 from 8AM-8PM (3 minute wait time) I tested this number personally twice.**
- ***A complete list of every vaccination location in the State of New Jersey broken down by county**
- ***Phone numbers for each site and each individual location**
- ***Assistance in scheduling a vaccination**
- ***FAQ's**
- ***Eligibility requirements**

In addition, I have spoken to our Chief of Police, Ocean County Sheriff Michael Mastronardy and our C.E.R.T. Team Liaison to Ocean County. In the near future when additional appointments for vaccinations become available, a C.E.R.T. Team volunteer will be available to assist those who have challenges with technology, internet access issues, filling out forms and the answering of basic, non-medical questions.

As always, please visit www.ochd.org for local information and updates as well.

Thank you for your time and God Bless

Very truly yours

Mayor Peter A. Curatolo
