Welcome to Our Lacey Township Sesquicentennial Celebration 2021!

It is my distinct and absolute pleasure to welcome you to Lacey Township! Since our founding in 1871, Lacey Township has been offering families a welcomed retreat to call home. As residents, we all know of the many reasons that we call Lacey home. Our beautiful parks, our rich culture and great schools but this year in particular we celebrate a landmark birthday – Our 150th.

From our founding in 1871 through to today, we are indeed the best kept secret in Ocean County. We offer all the amenities of fine living with much less traffic than our neighbors to the north! From our school children to our Senior Citizens, an eclectic array of people are proud to call Lacey home and during our 150th Anniversary Celebration we will celebrate a different aspect or area of our town and it's people that make this a very special place to live. Each month, we will celebrate the theme of our new town moniker made especially for our 150th - **“Lacey Township, Live it, Love it, Be Part of it!”**

From the time when Brigadier General John Lacey fought for America's freedom in the Revolutionary War through to the many sacrifices that our military families make to this day, we celebrate you. We celebrate our rich history and we celebrate Lacey Township. So please, raise your hands, raise a glass and toast the Lacey Lifestyle.

Lacey Township, “A Great Place to Live, Work and Recreate.”

Peter Curatolo, Mayor *Nicholas Juliano*, Deputy Mayor
Mark Dykoff, *Tim McDonald* and *Steven Kennis* Committee Members

That was then...

(Ticket Required, 21 & Over)

Hosted by Forked River Fire Department

Join us for an adult evening out, enjoy food, drinks, music, and live entertainment. For more information contact Lacey Recreation Department or email lacey150@laceytownship.org

Lacey 150 is a committee comprised of volunteers who are coordinating a year long celebration as Lacey Township turns 150 years old. The goal is to host events each month of the year that will gratefully acknowledge the people, groups and moments that have helped form, inspire, and enrich the town's history and community; past, present, and future.

If you are interested in getting more involved please email us at lacey150@laceytownship.org

Taste of Lacey Cookbook

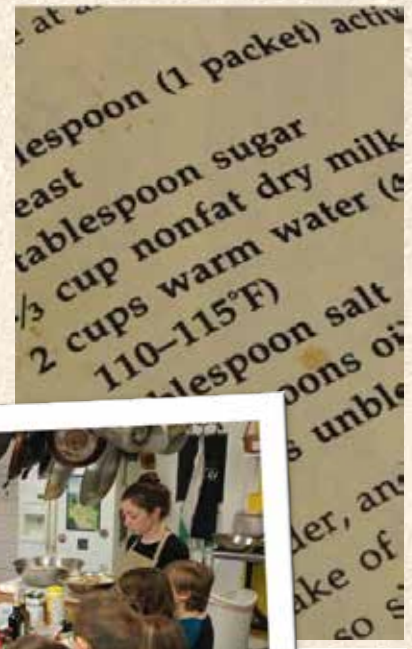

1871 Lacey Life 2021

Live It ~ Love it ~ Be Part of it

All month long during the month of February, you can submit your favorite family recipes to be compiled into a special Taste of Lacey cookbook. We encourage professional chefs, restaurants, home cooks and of course your grandmother's family favorite.

Help create a Lacey legacy and submit your favorite recipe to be added. Please email these recipes to: lacey150@laceytownship.org

Completed cookbooks will be available for sale!

Apple Fest at the Lacey Historical Society

Cooking Class sponsored by Lacey Recreation Department

*All events are subject to COVID guidelines as set by the State of New Jersey.

Solutions to Stormwater Pollution

Actions You Can Take to Protect and Restore Barnegat Bay

Why does Barnegat Bay need our help?

Long appreciated for its great aesthetic, economic and recreational value, an array of human impacts now threaten the health of Barnegat Bay.

Pollution on streets, parking lots and lawns is washed by rain and snow melt into ditches, storm drains, streams, rivers and ultimately, Barnegat Bay.

This stormwater pollution is one of Barnegat Bay's greatest threats to clean water and the rivers and creeks that drain into it. Fertilizers, pesticides, motor oil, animal waste, detergents, grass clippings, yard waste and litter are all examples of stormwater pollution.

Limit your use of fertilizers and pesticides

- Do a soil test to see if you need to fertilize.
- Use a drop spreader to apply fertilizer.
- Sweep up fertilizer from pavement and other hard surfaces after applying.
- Do not apply fertilizers if heavy rain is predicted.
- Follow the instructions on the bag label for correct application procedures.
- Try alternatives to pesticides, such as plants that repel insects.
- Properly store fertilizers and pesticide.
- Landscape your property using native vegetation and plants.

To learn more about the proper use of fertilizer, go to www.nj.gov/dep/healthylawnshealthywater.

As a resident, business, or visitor of Barnegat Bay, there are everyday actions you can take to help reduce stormwater pollution.

Clean up after your pet

- Use newspaper, bags or pooper-scoopers to pick up pet wastes.
- Dispose of pet waste in the trash or un-wrapped in a toilet.
- Never discard pet waste in a storm drain.

Don't feed wildlife

- Do not feed ducks, geese, or other forms of wildlife in public areas.

Don't litter

- Place litter in trash receptacles and keep it out of storm drains.
- Reduce, re-use and recycle.
- Participate in community cleanups.

Solutions to Stormwater Pollution

Dispose of yard waste properly

- Keep leaves and grass out of storm drains.
- Use leaves and grass clippings for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

Be a green boater

- Obey no wake zones and other navigational aids.
- Use pump-out stations and vessels, and don't discharge raw sewage into open waters.
- Use non-toxic, biodegradable materials when cleaning, repairing and maintaining your boat.
- Collect paint chips, dust and residue and dispose of it in the trash.

Properly use and dispose of hazardous products

- Do not pour household or commercial cleaning products, including lawn and garden care products, motor oil, antifreeze and paints, down storm drains or into open water.
- Properly label and store hazardous products.
- Use natural or less toxic alternatives when possible.
- Recycle used motor oil.
- Contact your municipality, county or facility management office for the locations of hazardous-waste disposal facilities.

Take action and be part of the solution

Stormwater pollution is one of Barnegat Bay's greatest threats. By sharing the responsibility and making these small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water in the Bay and saves the high cost of cleaning it up once it becomes dirty.

SOLID WASTE COLLECTION at Curbside

Solid Waste Collection is a subcontracted service provided by Meadowbrook Industries.

You can call them at (609) 971-7979 or the Public Works Department (609) 693-1100 x 2301 should you have a question.

THE RULES OF SOLID WASTE COLLECTION

- ⇒ **All household garbage, especially food waste, must be in leak-proof 32 gallon containers with lids and serviceable handles, and together with its contents must not weigh more than 50 lbs.**
- ⇒ **All solid waste containers must be at curbside either the night before or by 6am the day of collection.**
- ⇒ **All containers must be removed from the curb within 24 hours after collection.**
- ⇒ **Corrugated cardboard is NOT a garbage can. Corrugated cardboard is a mandated recyclable material in the State of New Jersey. Any garbage put out in corrugated cardboard will not be collected.**
- ⇒ **Refer to the pickup schedule above for your collection days.**

THE RULES OF SOLID WASTE COLLECTION

- ❖ Household garbage consists of food waste, ashes, non-recyclable glass, plastic or paper.
- ❖ Furniture and bedding: 2 pieces per week will be collected on your second garbage collection day. Mattresses and box springs should be wrapped in plastic.
- ❖ Carpet: bundle and tie it no longer than 4' in length weighing no more than 50 lbs. per bundle. Do not put carpet out if rain or snow is expected, it will exceed the weight limit when wet. We will pick up only 1 room of carpet (approximately 200 sq. ft. or 20 rolls) on your second collection day if it is packaged properly. If you are replacing more than one (1) room of carpet at the same time, disposal is your responsibility. Please make arrangements for the contractor to take it back or you can take it to the Ocean County Landfill (call the landfill for fees (732) 323-8528) or you can get a dumpster.
- ❖ Lumber: scrap lumber pieces that cannot fit into your garbage can must be bundled and tied no longer than 4' in length, weighing no more than 50 lbs. per bundle. Lumber will be collected on your second collection day.
- ❖ Wallboard/Plaster board: only 3 cans or bundles per month, weighing no more than 50 lbs. per can or bundle. Wallboard/plaster board will be picked up on your second collection day.
- ❖ Sliding glass doors or Tempered glass: Tape up the glass and wrap the entire surface in a heavy duty tarp or blanket, label the package as glass. Sliding glass doors will be picked up on your second collection day.
- ❖ Appliances, air conditioners, and metal items: **COLLECTION BY APPOINTMENT ONLY.** Call the Public Works Department to schedule a pick-up.

The following items WILL NOT BE COLLECTED at all, it is up to Residents to properly dispose of these items, call the Public Works Department for information prior to setting them out at curbside.

- House clean-outs
- Building and construction materials, fixtures, windows, etc, resulting from major alterations and renovations to properties by owners or contractor's, especially those that required a Building or Demolition Permit
- Concrete, brick, asphalt, asbestos
- Tires and auto batteries
- Paint, motor oil or antifreeze
- Propane tanks
- Trees, earth, root matter, stones and leaves
- Concrete and asphalt
- Household Hazardous Waste including pool chemicals and fertilizers
- Mandated Recyclables – please refer to Curbside Recycling Collection and/or Recycling Center information
- Electronics including Televisions
- Wood Pallets

HELPFUL HINTS:

- ❖ The contractor is not required to come back for late set-outs. Do not rely on the time you "think" the Contractor "normally" picks up your garbage. The schedule times can fluctuate for many reasons, all trash must be at curbside by 6:00am the day of collection.
- ❖ Are you moving into or out of town? Call Public Works at (609) 693-1100 x 2301 with questions relating to the disposal of out of the ordinary items. Don't assume everything you throw out will be collected, call us first!
- ❖ Solid waste, asbestos, construction debris and wood can be disposed of at the Ocean County Landfill. There is a charge for disposal. Please call (732) 323-8528 for disposal fees and packaging instructions.
- ❖ **If you are emptying the contents of a home, you must get a dumpster. There are several reputable haulers, call around to get the best price. Expect to pay for the rental of the dumpster and the disposal fee at the landfill. Trash just piled at the curb will surely generate a visit from our Code Enforcement Officer.**

RECYCLING COLLECTION AT CURBSIDE SINGLE STREAM RECYCLING

Meadowbrook Industries is your Recycling & Solid Waste Contractor 609-971-7979 • Lacey Township Department of Public Works 609-693-1100 x2301

The Rules for Collection...

- ⇒ All Recycling must be loose in cans.
- ⇒ **No Bundles and No Plastic Bags.**
- ⇒ The can size: No larger than 32 gallons.
- ⇒ Together with its contents must weigh less than 50 lbs.
- ⇒ Cans should have serviceable handles and lids.
- ⇒ Place cans at curbside for collection either the night before or by 6:00 am the day of collection
- ⇒ The Contractor is not responsible for picking up Recycling that has blown over and spilled on the ground.
- ⇒ The Contractor is not required to come back for late set outs.
- ⇒ **Recycling will not be collected if it contains plastic bags or if it is put out in plastic bags.**
- ⇒ **Recycling will not be collected if it contains garbage or any other Materials that are not Recyclable in our Single Stream Recycling Program.**

QUESTIONS? Please call Lacey Public Works 609-693-1100 Ext. 2301

Curbside Recycling

Same rules apply to all municipalities in Ocean County

Plastic bags, shredded paper, Styrofoam, plastic containers, phone books, chipboard (cereal boxes or paper tubes), paper towels.

Take plastic bags & film to local retailers and supermarkets.
NEVER place them in your curbside recycling.

CO.OCEAN.NJ.US/RECYCLE  OCEAN COUNTY RECYCLES  RECYCLE COACH APP

LACEY TOWNSHIP RECYCLING ZONE MAP

ZONE PICKUP SCHEDULE: RECYCLING DAY

- ZONE 1 FRIDAY
- ZONE 2 THURSDAY
- ZONE 3 MONDAY
- ZONE 4 TUESDAY
- ZONE 5 WEDNESDAY

RECYCLING PICKUP STARTS AT 6:00 AM
PLEASE PUT RECYCLABLES OUT THE NIGHT BEFORE TO AVOID MISSING YOUR PICKUP

RECYCLING CENTER

The Lacey Township Recycling Center is located on Municipal Lane. It is open Monday through Friday 7:00 am to 3:15 pm, and on Saturday and Sunday, 8:00 am to 3:45 pm. The Recycling Center is closed on every holiday that the Municipal Offices are closed. In intermittent weather, please contact the Public Works Office 609-693-1100 x 2301 or visit the Township's website, www.laceytownship.org for updated information and weather-related closings.

Residents may bring the following recyclables into the Recycling Center throughout the Year:

- Electronics, TV's & Computer Equipment, they will be recycled properly in accordance with State Law.
- Paint: Latex, oil based and boat paint only. Cans can be full, partially full or empty, 1-5 gallon paint cans. (Residents only, No Contractors).
- Used Clothing: Place in the Used Clothing Bins provided.
- Car & Boat Batteries (Accepted from Residents only, No Businesses).
- Automobile Tires: Fee applies: \$2 per tire. No more than 4 Passenger and/or Light Truck Tires only. No Rims. Accepted from Residents only, No Businesses. **We do not accept and you are not permitted to drop off any oversized, machine, or heavy truck tires.**
- Used Motor Oil and Antifreeze: (Accepted from Residents only, No Businesses). Oil and/or Antifreeze must be in a disposable 1-gallon container. Please leave containers with the Attendant on duty or on the platform in front of the oil or antifreeze tanks. There is a maximum of five (5) one (1) gallon containers per resident.
- Shrink Wrap: Accepted from Residents and Businesses.
- Single Stream Recyclables.
- Telephone Books: Deposit in the container marked "Telephone Books".
- Leaves, if your leaves are in biodegradable paper bags, the entire bag can be left in the leaf pile. If they are in plastic bags, please empty the bags and take them home with you for disposal in your trash.
- Landscapers may dump leaves at the Recycling Center but must first sign in at the Public Works Office during the week or on the weekend with the Recycling Yard Attendant on duty.
- Brush is accepted from Residents only. We accept small shrubs, Christmas trees and brush from tree trimming only. Brush can be no larger than 3" in diameter. **We do not accept any trees, tree stumps, grass, wood chips, mulch, invasive plants or shrubs such as bamboo and/or poison ivy or any brush from land clearing from anyone.**

It is a Violation of the Law for any person to drop off or leave recyclable materials at the Recycling Center at any time other than normal hours of operation or for any person to leave material, except designated recyclable materials, at the Recycling Center at any time. Violators will be Prosecuted!

We Do Not Accept any of the following Materials from anyone at any time:

- Household Garbage including food waste
- Building and Construction Materials, Fixtures, Appliances, etc.
- Propane Tanks
- Fluorescent bulbs
- Used Gasoline or Diesel Fuel
- Trees, earth, root matter, stones
- Concrete and Asphalt
- Plastic Bags or any Recyclables in Plastic Bags
- Anything tied or bundled with string
- Wax coated milk or juice cartons
- Ceramics, flower pots, window or automobile glass
- Large plastic tubs or buckets
- Scrap Metal
- Plastic caps or lids
- Cereal boxes or soiled pizza boxes
- Liquids
- Styrofoam
- Hazardous Wastes such as pool chemicals or bio-hazardous waste
- Paint Varnishes, stains, polyurethane or wood preservatives
- Wood or Plastic Wood

*A very special Thank You to our volunteers...
Volunteers give many gifts*

Their time, their efforts, their skills and their hearts

We gratefully acknowledge Katie Clayton, Chairperson of the Lacey 150 Celebration Committee and her staff and Jim Wioland, Lacey Township Recreation Director, for their input and planning of the special events highlighting our Lacey Township Sesquicentennial celebration.

We also would like to personally thank Christie Cassady, of ACM Regal, for the brilliant graphic design of this year’s calendar.

Our Sincerest thanks and Best Wishes to all for a safe and healthy New Year,

Lacey Township Dept. of Public Works, Office of Recycling
