Recycling plays a vital role in Lacey Township, allowing us to protect our environment, conserve resources, and secure grants and rebates that enhance services while reducing costs for our residents. Our recycling program succeeds because of your active participation. By following the recycling schedule, you help keep our roads safe, prevent pollutants from reaching our water bodies, and promote a cleaner, healthier community. Today, recycling is at a crossroads. Across the nation, uncertainty about what materials can or should be recycled has led to challenges in waste management. But here in Lacey, we are committed to working together for a more sustainable future. Each of us plays a part—whether by properly sorting materials, reusing containers, composting, or choosing products made with recycled materials.

Your actions today contribute to a cleaner environment and a stronger community.

Please use this official Recycling Calendar as a resource throughout the year and check www.laceytownship.org for updates.

Together, as we prioritize recycling, reducing, and reusing, we ensure a greener, more sustainable future for generations to come. Thank you for your continued commitment to Lacey Township.

For more information about recycling and its benefits, visit the Ocean County Recycling website at <https://www.co.ocean.nj.us/OC/SolidWaste/frmRecycling.aspx>

Pop quiz!

Which of these items do you have to call the
Public Works Office to schedule a pick up?

No need to call for paint! We take it at
our Recycling Center! It does NOT
belong in the garbage!

Stop mosquito breeding grounds!

Mosquitos only need 1 teaspoon a week of old standing water to breed.

Make sure to drain and dump all standing water in your yard to prevent mosquitos from breeding, including tires, buckets, toys, pools & pool covers, birdbaths, trash & recycling containers, gutters, pet dishes and coolers.

SPRING LEAF COLLECTION – 2 CYCLES:
The 1ST CYCLE BEGINS MONDAY,
APRIL 14TH

The 2ND FINAL CYCLE BEGINS MONDAY,
APRIL 28TH

THE RULES:

Everyone places their leaves out prior to the start of each cycle – This does not mean that everyone’s leaves will be picked up on that first day of collection, it takes the Public Works Department about 2 weeks to complete each cycle.

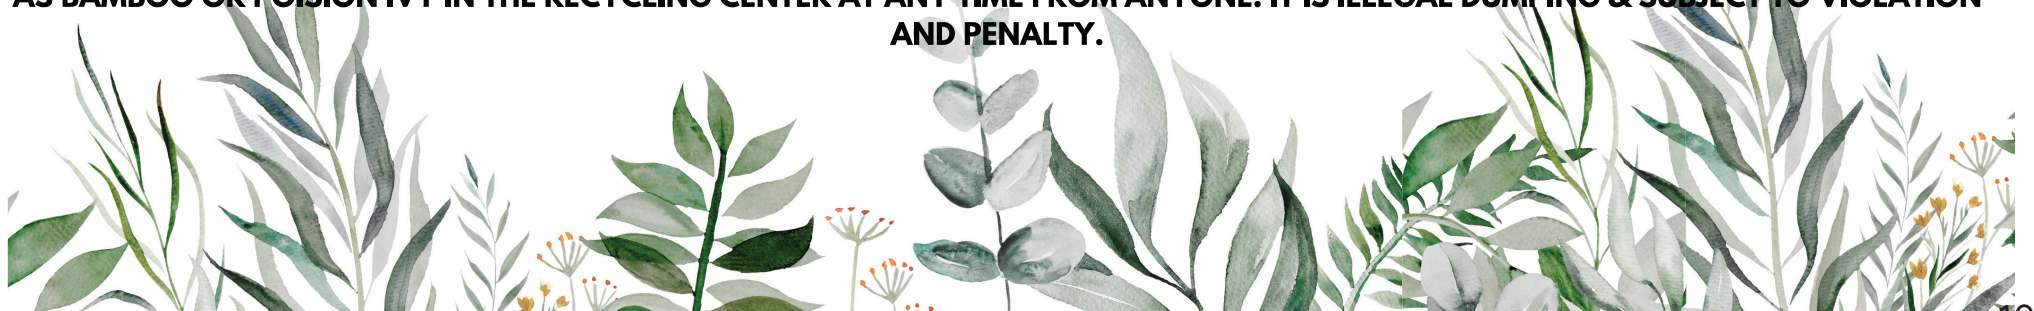

**Leaves must be bagged in BIODEGRADABLE BROWN PAPER BAGS or placed in CONTAINERS NO LARGER THAN 32 GALLONS
NO tree branches, acorns or other debris – LEAVES ONLY**

**If we come to your street and your leaves were not out on the first collection cycle, we will not be back until the Next Cycle begins
After Curbside Collection ends and throughout the year, Residents can bring their leaves into the Recycling Center during normal operating hours.**

Residents Please Note: If you are bringing leaves into the Recycling Center in plastic bags you must empty the bags in the leaf pile and take the empty bag(s) with you for disposal at home. If you are bringing leaves in BIODEGRADABLE BROWN PAPER BAGS leave the bag(s) with the leaves in the leaf pile.

You may bring branches from tree trimming and also shrubs, place these items loose (not tied) in the brush pile.

WE DO NOT ACCEPT GARBAGE, GRASS, TREES, TREE STUMPS, GRAVEL, DIRT, WOOD CHIPS OR ANY INVASIVE SHRUBS OR VINES SUCH AS BAMBOO OR POISON IVY IN THE RECYCLING CENTER AT ANY TIME FROM ANYONE. IT IS ILLEGAL DUMPING & SUBJECT TO VIOLATION AND PENALTY.

MISSION STATEMENT

The mission of the Lacey Township Municipal Alliance Committee is to work with the Police, Schools, Community Groups and businesses to provide community members with quality programs which educate our citizens about drug, alcohol and tobacco abuse and misuse. Part of this mission is also to provide a coordinated approach to advocacy, collaboration and education to promote wellness among all age groups and to keep individuals and families healthy and safe.

PURPOSE

The Lacey Township Municipal Alliance Committee is a coalition of citizens from the business, church and school community as well as members of local organizations. Alliance members work together to develop, plan, and implement programs and activities, which will assist in the prevention of alcohol, tobacco and other drugs (ATOD).

The State of New Jersey provides half of the funding for the Alliance through a grant from the Governor's Council on Alcoholism and Drug Abuse. Lacey Township matches the grant through 25% cash match and 75% as an In-Kind (goods and services) donation.

Since Covid-19, the funding from DEDR was reduced by nearly 70% and is now funded through different sources from the State. We have been very fortunate to subsidize our programs through the profits from the 5K Race.

5K RACE & ONE MILE FUN RUN

Mayor Juliano congratulates former Committeewoman Helen Dela Cruz.

The summer heat wave broke just in time for our 24th Annual 5K Race and One Mile Fun Run with over 400 runners participating. Crossing the finish line first was Davies Adepoju from Tom's River with a time of 16:57. He was followed by Chad Scanlon of Forked River finishing in 18:57. Following in third place was Bradyen M a c o m from Tom's River with a time of 19:05. For the third year in a row, Jessica Abbott now 16 years old, now residing in Englishtown, finished in first place in 19:00. Robin Gialanella from Forked River took 2nd place, with a time of 20:03 and Hannah Todd from Chester Spring, PA placed third 17 seconds behind Robin. Chad Scanlon and Robin Gialanella won the Lacey Township Top Resident Trophies.

Couch to 5K. Instructors Patty Naden, Robin Gialanella & Brandi Rapatski

The success of our 5K Race is mostly due to the large number of volunteers. Every year we are complimented on the number and friendliness of our staff. Some people help months in advance with soliciting sponsors, while others help the week of the race with prep. Some just come out to help us during the event. As always, Robin O'Brien does a great job putting together our Ad Journal. Thanks also to the staff at the Recreation Office, particularly Maggie Jones, for their help and support with registration!

Mayor Juliano with Top Residents Chad Scanlon & Robin Gialanella

The "Train for Your First 5K Race Class", under the guidance of Robin Gialanella, Patty Naden and Brandi Rapatski, continue to inspire people to get off the couch and run in the 5K Race. They spend weeks on hot summer nights helping runners to achieve their running goals. Special thanks to 2021 Lacey Graduate Jack Mangano for filling in at the last minute singing the Star Spangled Banner before the start of the race. Our "Rabbit", Bob McAvoy, returned for the second time to lead the runners through the course, although we changed the course back to one we previously used. The Kiddie Dash was organized by the Field Hockey team. We also appreciate the support we get each year from the Recreation Dept., Public Works, and the Lanoka Harbor EMS. We are grateful to all our volunteers. We are deeply grateful to all our businesses that have supported the Race through the years. This year our

Kathy Scanlon hands out ribbons at Kiddie Dash

refreshments were donated by Dunkin' Donuts, Manhattan Bagels and Sunrise Bagels while Joe Roberts donated water bottles at the finish line to the runners. McDonald's provides Happy Meal coupons and Tom and Dee's gives out free Ice to all the Kiddie Dash runners. Many businesses also donate Gift Certificates, which are used for door prizes for the runners.

Lining up for the 5K Race

For our Diamond sponsors and up, we place a sign with their name along the course and later move them to be visible at the awards ceremony. Topping the list of sponsors this year and donating \$1,000 this year in memory of his brother Tim Santucci, was

HALLOWEEN COSTUME PARADE

The Halloween Costume Parade continues to be a very popular event. The kids circulate through various activity stations, which include pumpkin decorating, crafts, games, mystery boxes, tattoos, monster (popcorn) hands and cupcake decorating. We always enjoy seeing the kids, and many adults, dress up in various costumes such as skeletons, ghosts, animals, superheroes, princesses and aliens, however witches seem to be most predominant every year. This year the kids danced till they dropped along with their Dads and Moms with DJ Mike. We're certain the little ones were ready for a nap as soon as they got home! After they parade around in their costumes each child gets to pick a prize. Only the kids that participate in the activities pay an entrance fee which includes refreshments. Babies are free and adults too, however they must be accompanied by a child!

This event would not be possible without the efforts of all our volunteers. We are also very grateful to the many High School AADA and other students, who assist with both the setup the day before and help with all the activities during the event. Their assistance as well as Alliance volunteers, are invaluable to our success. We also wish to thank RFP Produce, known to most of us as Lanoka Farms, for their contributions towards the pumpkins, corn stalks, mums and straw bales. As always we appreciate their generosity. Please mark your calendars for next year's event which will be held on Saturday October 18th at the Lacey Community Center.

SCHOLARSHIP - TIMOTHY SANTUCCI MEMORIAL SCHOLARSHIP

Each year the Alliance awards scholarships in memory of Timothy Santucci, a 1998 Lacey graduate who died in February 2003. He dedicated himself to excellence in both academics and sports while living substance-free. Tim also was the D.J. for many of our Prom Breakfast and Project Graduation activities. The Scholarship Committee places a heavy emphasis on community involvement during the selection process. The scholarships are not funded through the grant but rather from fund-raising activities such as our 5K Race.

The Alliance awarded eleven scholarships totaling \$6,900 to Haley Austin, April Cheng, Melany Cruz, Aiden Devaney, Avery Hayes, Gianna Lesaikowski, Maeye Meehan, Audrey Molyneux, Siah Mrazek, Lily Soell, and Cameron Smith.

SENIOR CONNECTIONS

The Senior Connections program started as a way to encourage seniors to stay active and "connected" in the community. Studies find that everyone ages better when they stay socially and physically active. The Alliance offers a variety of activities from exercise classes and luncheons to mentoring programs. We began hosting a Senior Health Fair in 2023 on the first Friday in October at which seniors can speak to various representatives of health agencies as well as receiving their annual flu shots and a lite lunch.

The Health Ease exercise program "Move Today" continues on Thursday mornings at the Community Center from 9:00 to 10:10 am. Under the guidance of certified trainers, seniors learn how to improve their balance and flexibility as well as muscle strengthening. These sessions are safe for all seniors. It runs all year except for the summer months and is quite popular. Classes are led by Joan Topping and Barbara Racz with Heather Scanlon pinch-hitting sometimes.

Line Dancing classes are another form of exercise while also having fun! They take place on Monday mornings at Community Center from 11:00 am – 12:00 Noon. We are fortunate to have volunteers Marie Meyer and Maryann Orlasky, lead the classes each week. The drop-in fee is \$3. Experience is not necessary and everyone is welcome.

In 2006 we began sponsoring our senior luncheons at the Community Center! They provide an opportunity

Committeeman Steve Kemis addresses seniors for between 65-80 seniors to come together and socialize. Each luncheon is centered around a theme and would not be possible without our staff of 15+ volunteers that help set up, deco-

rate and clean up each month. We are able to keep our costs affordable by cooking much of our own food under the guidance of Sharon Hoffman and Chris Brown. Soup is donated by the Captain's Inn. Ice Cream for dessert is provided by Spring Oak Assisted Living and served with delicious cookies from "John the Cookie Man".

During our luncheons, a few of our Township Committeemen stop by to address the group about community issues. Seniors have an opportunity to ask questions in a relaxed setting. In addition to elected officials, one of our local Librarians stops by to tell us about their activities. Throughout the year we have speakers on various issues from the Police Dept. and local businesses as well as live entertainment.

The luncheons are a wonderful way to get out, share some laughs and meet new friends. We do however, insist on calling ahead to make a reservation so we can accurately plan our meals. If you are a Lacey senior, or know someone who would benefit from this program, please let us know. Thanks to the Recreation Department, transportation is available if necessary however, arrangements must be made in advance.

Luncheons are held on the 4th or last Friday of the month except for July, August, November and December at Community Center. The schedule for 2025 is as follows:..

Spring Fling Luncheon

January 31st Chinese New Year
February 28th Mardi Gras

Task Force

The Task Force was created in 2012 in response to the increasing number of deaths due to drug overdoses in our community. Our focus has been to raise awareness and develop strategies to prevent the use and misuse of alcohol as well as various illegal substances. Our discussions have been concerned with the health of our community, especially regarding our youth. Our group has become very alarmed about the negative effects social media is having on our youth. We supported the school district's efforts to reinforce a ban on cell phone use in the schools.

At the present time we are planning to hold a Teen Arts Festival on February 7th of 2025. Students will be asked to submit projects in the following categories: The Effects of Social Media, Healthy Life Styles, What's My Anti-Drug Activity? The medium could be in Fine Arts, Visual Arts & Performance Arts. It can include videos, skits, poems, art projects and music submissions to name a few. Prizes will be awarded and final entries will be shown /displayed on the night of the Festival. Special thanks to Jeremy Muertmann, Advisor of the WLTS TV Studio for collaborating with us on this project.

Task Force members include Tony Angona, Forked River Rotary; Diane Bauernhuber, Lacey Elks; Kelly Brown, High School Student Assistance Coordinator; Deirdre Callaghan, Lacey Elks; Donna Catlow, Xodus Recovery Center; Chris Kenny, Chief of Police; Tom Faulkner, Municipal Alliance; PeggySue Juliano, Mayor. Jani Kristbergs, Village Lutheran Church; Donna McAvoy, Hope Sheds Light; Cecilia Pasqualicchio, Lacey Library; Pastor Paul Quevedo, Forked River Presbyterian Church; Heather Scanlon, Municipal Alliance Coordinator; Jim Wioland, Recreation Director and Will Zylinski, Acting Superintendent of Schools.

MESSAGE FROM THE COORDINATOR

Disconnect To Connect...

Our focus has traditionally been on preventing substance use and abuse by raising awareness in our community. Over the years we have seen trends in different types of abuse such as cocaine, heroin, and opioids, as well as alcohol, marijuana and vaping by our youth, all which can lead to addiction. Studies have now proven that excessive use of social media is also a form of addiction. In that vein, the Alliance and the Task Force has lobbied to restrict the use of cell phones in our schools. We were pleased to discover that the school district was also in support of such a measure and has implemented a cell phone ban in the school.

As with any addiction the effects on developing brains of adolescents can have detrimental consequences. Parents should evaluate their child's time spent of their cell phones. In an interview in the NY Presbyterian Healthy Matters, Dr. Heidi Allison Bender said that research has shown a connection between high levels of social media use and increased depression among middle and high school youth; with new evidence that social media can also alter brain development.

We've come up with a list of some positive outcomes for parents to consider regarding their teen's cell phone and social media use.

- ~ Increase in test scores
- ~ Encourages socialization among peers and adults
- ~ Improve people skills
- ~ Increase ability to focus on tasks
- ~ Reduced stress and anxiety
- ~ Decrease in problems in school bathrooms

We urge all parents to keep abreast of the ever-evolving ways their pre-teens and teens use social media and its negative effects. It's vital to establish open lines of communication with their child, listening to them and showing them that you care. We need everyone to consider that there is life beyond the screen! We urge not just our young people but all of us to agree to "Disconnect To Connect" more often.

There are many opportunities for people to become involved in the Alliance. Whether it is working on existing programs or helping to develop new approaches to achieve our mission, we welcome your input. Some volunteers are not official members but rather help out on occasion. If you would like to join us in our quest to make our community a safer environment, please join us. We welcome input from the community. Our Alliance meetings take place on the 4th Monday of the month downstairs in the Municipal Building at 7:00pm except in December. Anyone is invited to attend.

Heather Scanlon
MAC Coordinator

P. S. We said goodbye to a long time and dedicated member of the Alliance, Marie Krieger, who passed away this past March. Always quick with a retort, Marie was most noted for cooking meals for the senior luncheons and most particularly her world-renown soup. She warmed our hearts with her humor and her cooking skills. We certainly miss her!

FALL LEAF COLLECTION – 3 CYCLES:

The 1st CYCLE BEGINS MONDAY, NOVEMBER 10TH

The 2nd CYCLE BEGINS MONDAY, NOVEMBER 24TH

THE FINAL CYCLE BEGINS MONDAY, DECEMBER 8TH

THE RULES:

Everyone places their leaves out prior to the start of each cycle – This does not mean that everyone’s leaves will be picked up on that first day of collection, it takes the Public Works Department about 2 weeks to complete each cycle.

**Leaves must be bagged in BIODEGRADABLE BROWN PAPER BAGS or placed in CONTAINERS NO LARGER THAN 32 GALLONS
NO tree branches, acorns or other debris – LEAVES ONLY**

**If we come to your street and your leaves were not out on the first collection cycle, we will not be back until the Next Cycle begins
After Curbside Collection ends and throughout the year, Residents can bring their leaves into the Recycling Center during normal operating hours.**

Residents Please Note: If you are bringing leaves into the Recycling Center in plastic bags you must empty the bags in the leaf pile and take the empty bag(s) with you for disposal at home. If you are bringing leaves in BIODEGRADABLE BROWN PAPER BAGS leave the bag(s) with the leaves in the leaf pile.

**You may bring branches from tree trimming and also shrubs, place these items loose (not tied) in the brush pile.
WE DO NOT ACCEPT GARBAGE, GRASS, TREES, TREE STUMPS, GRAVEL, DIRT, WOOD CHIPS OR ANY INVASIVE SHRUBS OR VINES SUCH AS BAMBOO OR POISON IVY IN THE RECYCLING CENTER AT ANY TIME FROM ANYONE. IT IS ILLEGAL DUMPING & SUBJECT TO VIOLATION AND PENALTY.**

SOLID WASTE COLLECTION AT CURBSIDE

Solid Waste Collection provided by Meadowbrook Industries (609) 971-7979

Chapter 289 of the Township Code of the Township of Lacey

PREPARATION All garbage and rubbish containing food waste shall be kept in leak-proof, commercially available containers with tight-fitting lids or covers and shall be kept covered at all times, unless the contents of same are being removed or contents are being placed therein. Plastic bags or any receptacle which does not fit the above description shall not be used for garbage and rubbish containing food waste; and if so used, garbage and rubbish container therein shall not be collected.

CONTAINER SIZE 32 gallon container with a lid and serviceable handles. Containers may not be more than 32 gallons in size due to the fact that garbage collection is done manually. **TRASH CONTAINER SHOULD BE A DIFFERENT COLOR THAN YOUR RECYCLING CONTAINER. WE HAVE DECALS LOCATED AT LACEY TOWNSHIP PUBLIC WORKS OFFICE.**

COLLECTION Containers must be placed at curbside or adjacent to the road if no curbs exists, in a place which is visible and easily accessible for collectors, either the night before or by 6:00 am on the day of collection and removed within 24 hours after collection. The contractor is not required to come back and pick up your garbage if it is set out late and the truck has already passed through your area.

Solid Waste Services include the following:

FURNITURE AND BEDDING Residents are allowed to dispose of 2 furniture pieces per week on regular collection days, preferably the second collection day, as the first collection days are usually very heavy, especially in the spring and summer months. Mattresses and box springs can be put out for collection, provided it is not raining. If it is raining or there is a chance of rain, please cover the mattresses and box springs in plastic

CARPET Approximately 1 room per week (20 rolls max), preferably on your second collection day. Carpet must be tied and bundled no more than 4' in length weighing no more than 50 lbs. per bundle. Cover in plastic if it is raining or if rain is expected.

LUMBER Scrap lumber pieces can be tied and bundled no more than 4' in length, weighing no more than 50 lbs. per bundle. (2-3 bundles max) If pieces are small enough, you can put them in your trash can.

RESPONSIBILITY If your garbage has spilled over and onto the street prior to collection, it is your responsibility to clean it up. The contractor is not responsible for cleaning up garbage that has blown over and spilled onto the street or placed out in plastic bags and torn open by animals.

VIOLATION Any container that does not comply with the above specifications or creates a hazard or danger to the collectors shall be affixed with a red tag. In the event that a container is affixed with a red tag, it shall be a violation to utilize that container for future disposal of garbage, refuse and other rubbish.

WALL BOARD/PLASTER BOARD Only 3 cans or bundles per month weighing no more than 50 lbs. per bundle.

SLIDING GLASS DOORS, TEMPERED GLASS TABLES, MIRRORS Tape up the glass and wrap the entire surface in a heavy duty tarp or blanket, label it GLASS. It will get picked up with regular garbage on your second collection day.

TOILETS Separate the tank from the bowl. It will get picked up with regular garbage on your second collection day.

APPLIANCES, METAL ITEMS, LAWN MOWERS, AC UNITS, BASKETBALL HOOPS, BBQ GRILLS, LARGE TVs Picked up weekly. Please call the Public Works Dept. to schedule a pick up of any of these items. 609-693-1100, ext. 2301

The following items WILL NOT BE COLLECTED at all, it is up to Residents to properly dispose of these items, call the Public Works Department for information prior to setting them out at curbside.

- House clean-outs
- Building and construction materials, fixtures, windows, etc, resulting from major alterations and renovations to properties by owners or contractor's, especially those that required a Building or Demolition Permit
- Concrete, brick, asphalt, asbestos
- Roofing shingles
- Tires and auto batteries
- Paint, motor oil or antifreeze
- Propane tanks
- Trees, earth, root matter, stones and leaves
- Household Hazardous Waste including pool chemicals and fertilizers
- Mandated Recyclables – please refer to Curbside Recycling Collection and/or Recycling Center information
- Electronics including Televisions
- Wood Pallets

It's impossible to list everything. When in doubt, call the Public Works Department first, this will save you time and a visit from the Code Enforcement Officer.

To Our Lacey Residents and Business Community,

This calendar can be used as a reference and guide to Solid Waste and Recycling Rules and Regulations for our town. All the information is accurate as of the day of printing. As the year progresses, please note that changes made occur to the materials collected at the Recycling Center and at Curbside. If this does occur, we will post new information on the Township's website, www.laceytownship.org. If you are unsure of what is collectible at curbside or you have an abundance of trash that you are disposing of, please give us a call at 609-693-1100 ext. 2301 for specific answers to your situation. Lacey Township remains consistent in its effort to reduce the volume of materials it sends to the landfill, and it's only with your participation in our recycling program that this is possible. We appreciate you and wish you only the best in 2025!

Best Regards,

Lacey Township, Department of Public Works and Recycling.

Please remember to recycle this calendar in your curbside bin at the end of the year. DISCLAIMER - While all events in the calendar are scheduled to occur at the time of printing, all are subject to change or cancellation. Please check the town's website, www.laceytownship.org or check the Recreation Department's Facebook page @lacey.recreation for any updates.
