LACEY TAX COLLECTOR'S STATEMENT

The Tax Collector's Office would like to take this opportunity to thank the Township Committee and Township Administrator for all of the support during the 2017 tax year.

The Township participated for the fourth year in the State pilot Online Tax Sale Auction for the sale of 2017 (& prior) delinquencies. As you are aware the tax sale process in Lacey Township commences as soon as the 4th quarter collection period concludes at close of business on November 13th. With the support of the Committee we were again granted permission to participate in the on line tax sale pilot and the tax sale was once again extremely successful. We are proud to say the tax collection rate for 2017 is 99.24% the highest percentage the township has had in over 10 years.

Lacey can be proud of its collection percentage. It has been a long-standing goal to have one of the highest percentages of collection in the County. This year we were once again among the highest in the County. It is with the cooperation of the governing body we were able to achieve our goal. Our percentage is also among one of the highest in the state!
