( One block in from Route 9 & Rite Aid drugstore) You will be notified of any changes to this or any other change of schedule.

Annual registration, usually in April, has been discontinued. Instead, if you miss 3 consecutive months, you will have to re-register with the administrator's office. If you are leaving the program, we always appreciate a call so that Miss Dorothy can take you off her call list. Also make an effort to keep your phone number current with us.

The hours are 8-10 am - If you are unable to get to us due to disability or illness, call Guy, at 693-8703 or the stores master, Dick at 693-6357 for assistance in getting your food. Messages are also taken by the administrator's office, 693-1100, ext. 2239 or at the food bank 242-2848

We encourage you to come in person, so that you can choose "take me" items along with our regular offerings. The township recreation bus 693-1100 x2203 will pick you up if you need a ride. Ask to get on the list.
