June 20, 2018

Dear Resident:

This letter is notification that the Ocean County Road Department will be milling and paving **South Street between Railroad Avenue and Route 9 in Lacey Township** beginning on Friday, June 22, 2018. This project will begin at approximately 7 a.m. and continue throughout the day. **Please expect delays** as property access will be limited during this operation. If necessary, you may want to make alternate parking arrangements as no vehicles will be permitted to stay on the road during this time. This schedule is dependent upon the weather.

Be assured that any repairs needed as a result of this project will be taken care of by the area Supervisor in a timely manner once the project is completed.

We are sorry for any inconvenience this may cause and ask for your patience and cooperation during this project. If you have any questions, please call the Road Department at 732-929-2133.

J. Thomas Curcio
County Road Supervisor
